INTERDISCIPLINARY PROGRESS NOTES

Patient Name Braithwaite Kevin I.D. # 315294 Institution MOS-DCC

DATE	TIME	NOTES	SIGNATURE
1-17-01		sp inmate reports pain Max ant. #9 + #10 pulpation +, #9 percussion ++, PA reveals PAP @ #9. inmate does not want EXT #9 explained that the infection will return on + off as long as the tooth remains untreated. Rx Motrin 600mg X 30 + PenVK 500mg X 30 ordered.	
3/6/01		^{Johnson} inmate called to dental in response to his letters. I again explain the diagnosis of irreversible pulpitis @ #9. Explain that only inhouse treatment is EXT #9. Inmate refuses. Sending inmate out for RCT was refused by CMS administrator. MS Procedure this procedure is an unapproved procedure. Because problem with #9 is endodontic in nature periostat is not an approved tx. This was also explained to inmate. PenVK 500mg X 30 + Motrin 400mg X 30 ordered.	
		^{Johnson}
